MENABO

La ***MENABO*** auto accessori è una azienda che da oltre trent'anni spende le proprie energie per promuovere le proprie idee e convinzioni nel mondo dell'auto accessorio; in particolar modo, e soprattutto ultimamente, le risorse dell'azienda sono incanalate nello sviluppo e nella produzione di prodotti per il tempo libero applicati al mondo auto, bici, sci, canoa,ecc.

Lo spunto per realizzare nuovi prodotti e migliorarli continuamente viene direttamente dai dipendenti dell'azienda che in primis testano ed usano ciò che essi stessi producono. Quello che nasce, pertanto, va oltre la realizzazione di un autoaccessorio; è, di fatto, un pezzo di esperienza di ognuno di noi. Tutti i prodotti che escono dalla ***MENABO*** sono la sintesi del "Made in Italy", non solo per quello che riguarda lo stile inconfondibile e l'elevato contenuto tecnologico, ma anche la passione che ne caratterizza la diversità nel panorama mondiale.

I prodotti ***MENABO*** sono conformi alle più restrittive norme unificate relative alla sicurezza sul prodotto e la filosofia produttiva aziendale segue da tempo le linee guida delle normative relative alla qualità ed in particolare del settore auto motive.

MENABO car accessories Company for over 30 years has invested its energy into promoting its ideas and beliefs in the car accessories' world. In particular and more recently, the Company's resources are channelled in the development and production of products for leisure activities tailored to the world of cars, bikes, skiing, canoeing and so on.

An opportunity to create new products and improve them continually comes directly from the employees of the Company that develop test and trial product pre production.
Leading to the manufacture of product that goes beyond the car accessories' production. It is in fact a piece of the experience of each of us. All products that come out from ***MENABO*** Company are the synthesis of the "Made in Italy", not only for what concerns the unique style and high technology, but also for the passion that characterizes the diversity in the global landscape.

MENABO products comply with the strictest worldwide standards relative to the product security. The Company's productive philosophy follows the guidelines relating to the quality of the automotive sector in particular.
